WORK EXPERIENCE

U.S. Agency for International Development — Foreign Service Officer - Monitoring, Evaluation, Learning Team Lead (FS 3-5) (06/2020 – 07/2025)

Kyiv, Ukraine

Conducted research and analysis on SDG acceleration and economic transformation, including green and just transition and digital transformation, to inform policy development and UNCT advocacy efforts.

Developed and analyzed data-driven models to support SDG financing and the implementation of the economic transformation agenda, contributing to evidence-based policy recommendations.

Designed and implemented tools for data visualization and analytics, enhancing the RC and UNCT's ability to track and respond to SDG-related trends and challenges in real time.

U.S. Agency for International Development — Foreign Service Officer - Gender Equity and Program Design Officer (FS 4-9)

Bogota, Colombia

Led research and analysis on SDG acceleration and economic transformation, particularly in the context of sustainable development and green growth, to support UNCT and RC advocacy efforts.

Developed and implemented methodologies for data collection and analysis, improving the RC and UNCT's understanding of SDG-related trends and challenges in the country context.

U.S. Agency for International Development — Foreign Service Officer - Program Officer Rotations (FS 5-12)

Washington, DC, USA

Designed and implemented a data analytics tool using Python and Tableau to process and visualize large datasets, enhancing the RC and UNCT's capacity to track and respond to SDG-related trends and challenges.

Led a knowledge management pilot program, enhancing the RC and UNCT's ability to manage and share information related to SDG acceleration and economic transformation, facilitating better coordination and collaboration among stakeholders.
